First Fund**

The Chicago Public Schools Foundation

# In-Kind Contributions Guide

**Ensure every student has access to the resources they need to thrive in and out of the classroom.**

By donating high-need, new or open-box items, you'll help support CPS students with essential academic, health, and wellness supplies throughout the entire school year. CFF works diligently to ensure items are distributed to the highest need students and schools across the city.

**To get started or learn more, connect with your CFF Relationship Manager or email [partnerships@childrenfirstfund.org](mailto:partnerships@childrenfirstfund.org)**
